

MIFARE Cards & Tags

A complete range of MIFARE tags & cards from CDVI to compliment the reader technology chosen. From standard proximity to long-range and smart, our cards & tags offer flexibility for the management of the users.

The range includes:

- Smart tags
- Smart cards

The smart card and tags works with the Mifare® technology, and are multi-use cards as they are able to share information on the card/tag for other user requirements (vending etc).
