2EASY Video Door Entry

For private residences, 2EASY offers a simple and reliable home security solution. Residents can have confidence in always knowing who's at the door and only allowing access to authorised visitors.

For university accommodation, 2EASY is an easy way to control entry for up to 128 flats. Students can come and go as they please and feel safe in the dependable security of their building.

For commercial premises, 2EASY is a sleek solution for managing entry. Make visitors feel welcome as soon as they arrive, while ensuring that only authorised individuals are inside the building.
