CDV-91IP - Single Button IP Door Station

Product Description

The CDV-91IP is a slimline single button video door station part of the 2EASY IP range, featuring a 170° fish-eye camera with audible annunciations.

The IP system facilitates connection through PoE, making the 2EASY IP range seamless and easy to use. It allows up to 32 door stations and monitors for a single house, 256 monitors for multi entry apartment blocks and 8000 monitors for complex buildings. In addition, the free mobile app allows users to control access from their phone by receiving calls (when connected to an internet router).

The compatible IP monitor is the [CDV-471IP](#).

Key Features

- IP system single button door station
- Power through PoE connection
- 170° fisheye camera
- Live viewing
- Answer the door via the mobile app (*only with [CDV-471IP](#) monitor*)

 Certification

 DEEE

 Certification

 -10°C à 50°C

 IP65
