# FERMAX

Ref. 9640 VDS/BUS2 NEW MARINE DISPLAY

DESCRIPTION

Display module of spare parts for inclusion in Marine door entry panels and VDS, BUS2 and/or DUOX Digital System.

The digital display module lets you search and view in the list of residents (electronic directory) using the browser buttons (arrow keys), as well as providing communication status information.

House calls can be made in two ways:

- by entering the corresponding code assigned to the home + the "bell" key.

- by finding the code in the electronic user directory (browser buttons) and pressing the "bell" key.

Marine is the anti-vandal panel line manufactured in 2.5 mm thick stainless steel. Straight lines that highlight the quality of the steel. State of the art technology and resistance to even the most corrosive, humid and dangerous atmospheres.

TECHNICAL SPECIFICATIONS

- High contrast backlit LCD 2 line display, 16 characters per line. Adjustable backlight.

- Module Dimensions (W): 105,2x95 mm (width-height).
