
STAINLESS STEEL POSTS

SP9 SERIES POSTS

Robust stainless steel posts for mounting Videx intercom and access control panels.

**VANDAL
RESISTANT**

**METAL
POST**

Videx are able to offer a range of five standard sized stainless steel posts with universal fixings which will accommodate the full range of Videx audio, video and access control products.

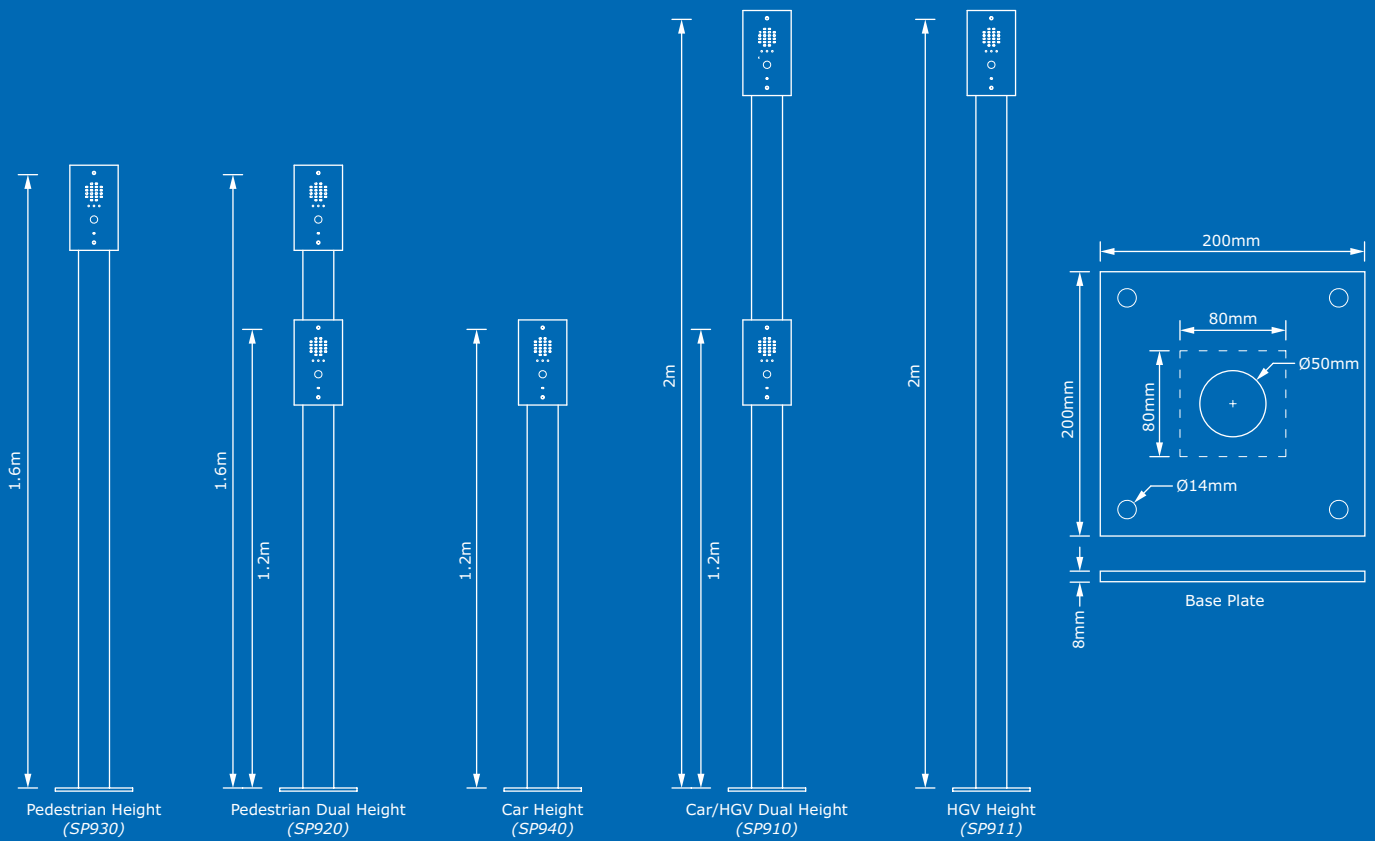

All Post are manufactured from 80mm x 80mm brushed stainless steel and incorporate a substantial 200mm x 200mm x 8mm base plate with 4 x 14mm diameter fixing holes to secure the unit.

A range of post mount boxes are available separately to suit the Videx VR120 and 4000 series panels. Special boxes for other panels are also available upon request.

The five options available are: Pedestrian height at 1.6m tall, Pedestrian Dual height at 1.2m and 1.6m tall, Car height at 1.2m tall, Car/HGV Dual height at 1.2m and 2m tall and the HGV height at 2m tall.

www.videxuk.com

There are five posts to choose from, all of which incorporate universal product mounting fixtures which allow the attachment of the door panels or access control units.
