Panels / Marine Panel

Product Code

F54331

MARINE PANEL ST1 AP 101 4+N

Reference	EAN
54331	8424299543314

Description.

Description

Installed in the accesses to the building, they enable communication with homes, door opening, guard unit call , etc.

Fermax Marine Line ..... in stainless steel.
Marine is the anti-vandal panel line manufactured in 2.5 mm thick stainless steel.. Straight lines that highlight the quality of the steel. State of the art technology and resistance to even the most corrosive, humid and dangerous atmospheres.

The anti-vandal pushbuttons, made in stainless steel and with anti-blocking system, withstand any impact.

Buttons include a card slot to insert a label with the name of the home owner and door number.

Conventional System: uses wires common to the whole installation plus 1 call wire (or call return) per home..

Recommended in small to medium-sized buildings (up to 50 residents approx), with several accesses and central guard unit. For residential complexes with general entrance and interior blocks.

Wiring:
- Audio door entry system: 4 common wires + N (1 call wire per home).
- Video door entry system: 7 common wires + 1 video coaxial+N (1 call wire per home).
Maximum distance in the installation based on the cable section used (see technical manuals).

Technical Details

Two-way volume control
