Product Code

F80447

BASIC CITYMAX TELEPHONE WHITE

Reference

80447

EAN

8424299804477

Description.

Description

Audio terminal. Installed in homes, enables communication with outdoor panel and door opening.

Fermax extra-flat format phones are manufactured in high impact ABS plastic with a mirror polish type finish for easy cleaning.

The industrial design applied and the top quality components give shape to a robust and reliable telephone that will equally please both professional and user.

Easy to fit wall mounted installation.

Conventional System: uses wires common to the whole installation plus 1 call wire (or call return) per home..

Recommended in small to medium-sized buildings (up to 50 residents approx), with several accesses and central guard unit. For residential complexes with general entrance and interior blocks.

Wiring:

- Audio door entry system: 4 common wires + N (1 call wire per home).

- Video door entry system: 7 common wires + 1 video coaxial+N (1 call wire per home).

Maximum distance in the installation based on the cable section used (see technical manuals).

Technical Details
